

## AUTUMN 2 TERM

### NEWSLETTER Week 14 : December 11th 2015

Dear Parents/Carers

#### HMI INSPECTION

Last Friday we had our first HMI Inspection since the Ofsted in May, the focus being to look at the progress we have made towards becoming a good school. The report from the inspection is due to be published very soon and a copy will be sent home for everyone to read. I am sure you will be pleased to hear that the Inspection was very successful and we are thrilled with the outcome. I wish to say a huge thank you to all the staff in school that have worked tirelessly to secure this outcome and welcome your continued support along the way.

#### CHRISTMAS CONCERTS

This week we have had the pleasure of watching all the children from across the school performing their Christmas Concerts. The children have all worked incredibly hard to prepare for their performance. It can be very daunting for the children to perform in front of so many people but they all did so fantastically. Well done to them all for all their hard work.

#### PARTY WEEK

Next week is party week. (please see the dates on the back on this newsletter for the date of your child's party). Children are welcome to bring party clothes into school to change into after lunch. Please send the clothes in a bag with your child's name clearly written on the front.

#### YEAR 6 RESIDENTIAL TRIP

On Monday to Wednesday of this week, 13 children from Year 6 went on a residential trip to Cumbria with Mrs Kilner and Mrs Rawson. They had a very tiring but fantastic time during their visit. Despite the windy and wet weather, they took part in lots of exciting activities like canoeing, the zip wire, and trapeze. They even survived the Piranha Pool! The staff at Robin Wood complimented the children on their excellent team work and their enthusiasm as they all worked together so well. Mrs Rawson and Mrs Kilner would also like to thank the children for their excellent behaviour and for making the experience one that they will never forget!

Patricija Natra said I really enjoyed it. The zip wire was fantastic. Everything about Robin Wood was brilliant. I would definitely recommend it to all the other children in school.

Millie Breedon said it was fun! They made us have a go at everything. Some of the activities were scary but we were all glad that we had tried them as they were brilliant. We also made some fab friends with the children from West End.
