

SUMMER TERM

NEWSLETTER Week 4: 22nd May 2015

Dear Parents/Carers

SAFETY IN THE SUN

The whole school enjoyed an Assembly on Thursday from the School Nursing Team to make the children aware of Sun Safety.

The children were told about the dangers of playing out in the sun without sunscreen and were told how to apply the cream and what factor is best for them. Hopefully the weather will get warmer over the next few weeks so please make sure your child wears a hat, with your child's name clearly written inside.

MR WILIAMS

Today is Mr Williams last day with us at Havercroft Academy. We would like to wish him well at his new school.

BIKEFEST WINNER

Last week in Celebration Assembly, Rosie Jo Martin was the surprise winner of a Bike that she had won in a competition from when she was at the Bikefest. Jane Gwilliam from WDH presented her with a bike and helmet. Well done Rosie Jo.

CLASS SPOTLIGHT THIS WEEK

- **Nursery** have carried on with the Story of 'Goldilocks and the 3 Bears' as the children have enjoyed this so much. We have retold the story in different ways, enthusiastically writing and using role play.
- **Reception Class** have been busy writing their bean diaries, to show how we planted our beans and how they've grown! We had a really fun Maths session doing practical measuring!
- **Year 1** have been learning to write acrostic poems about the seaside which are being entered into the Young Writers Competition.
- **Year 2** Miss Wright wants to say how proud she is of the effort that all the children have put in for their SAT's this week.
- **Year 3** have been writing under the sea poems for a Young Writers competition. In Maths 3 we have been solving multiplication questions using a number line and for our topic work we have used maps to find out about the cities that were attacked in bombing raids during WW2.
- **Year 4** have completed our fantastic poems for a writing competition!! And we re-enacted what an air siren sounded like during WW2.
- **Year 5** have been editing and improving work in English, we have also done some fab work with poetry on Outer Space. In Maths we have studied Multiplication and we have also been busy performing role play on e-safety and Cyberbullying.
- **Year 6** have been busy composing poetry entries for the 'Out of this World' writing competition. Most of Yr 6 have signed up to complete a Reading Diploma in conjunction with the Barnsley Chronicle and Wigfield Farm. We have also started personal study projects which the children may take home to work on and we have started a project called 'Young Entrepreneur' their first task is to make something to sell at the Summer Fair following this they will consider ideas for setting up a business of their own!
