

3rd September 2015

Dear Parents/Carers

Your child currently learns to play a String instrument. This year the children will be learning under a new teacher, Rob Ferris will be taking the lessons. He will be introduced to your child by a staff member on the first morning. The lessons will take place between 10.45 – 11.25, to accommodate the children in Year 4 who have their swimming lesson.

The lesson will remain on a Friday morning so please can you make sure your child brings their instrument to school on this day to continue with their lesson.

The lessons for your child will resume next week and the first lesson of this year will take place on **Friday 11th September.**

If for any reason, your child no longer wishes to continue to play the instrument, please can you send a letter into school explaining the reasons why and we will pass it onto Music Services for you.

Yours sincerely

Mrs Karen Wakefield
Headteacher
