Dear Parents / Carers

As our Academy website is now up and running, we would like to keep you informed of up-to-date news, events and performances that have been running in school.

We have taken some fantastic photographs of the children taking part in events already and we would like to put some of these onto the website.

Please could you complete the form below to give your personal preference of whether you would like us to use your child's image on the website and return it to school as soon as possible.

If you **do not** return the slip to school, then we will assume that you give permission for your child to be included in the academy website and any other forms of media that can be put on the website ie: videos etc

Yours sincerely

Mr Hedd Williams
Associate Headteacher
