Prevent Policy - Dealing with Radicalisation & Extremism

We believe this policy relates to the following legislation:

- Education Act 1996
- Children Act 2004
- Safeguarding Vulnerable Groups Act 2006
- Equality Act 2010
- Children and Families Act 2014
- Education Act 2011
- Counter Terrorism and Security Act 2015
- Special Educational Needs and Disability (Detained Persons) Regulations 2015

The following documentation is also related to this policy:

- Dealing with Allegations of Abuse against Teachers and other Staff: Guidance for Local Authorities, Headteachers, School Staff, Governing Bodies and Proprietors of Independent Schools (DfE)
- Equality Act 2010: Advice for Schools (DfE)
- Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE)
- Prevent Strategy (HM Gov)
- Teaching approaches that help build resilience to extremism among people (DfE)
- Working Together to Safeguard Children: A Guide to Inter-agency Working to Safeguard and Promote the Welfare of Children

We are committed to safeguarding and promoting the welfare of all children and we take account of the information contained in the DfE documents 'Working Together to Safeguard Children' and 'Keep Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE 2015)' as the safety and protection of children is of paramount importance to everyone in this school.

We believe that all children have the right to be safe in our society. Therefore, we recognise that we have a duty to ensure arrangements are in place for safeguarding and promoting the welfare of children by creating a positive school atmosphere through our teaching and learning, pastoral support and care for both pupils and school personnel, training for school personnel and by working with parents.

We have a duty to actively promote and embed British Values such as 'democracy, the rule of law, liberty, mutual respect and tolerance of different faiths and beliefs' within this school and to challenge pupils, school personnel or parents who express extremist views contrary to these values. We want to ensure pupils are prepared for life in modern Britain by the active promotion of and respect of British values.

We realise that we have a duty to identify, protect and support those who might be vulnerable to being radicalised or influenced by extremist views. We understand that

radicalisation ' is a process by which an individual or group comes to adopt increasingly extreme political, social, or religious ideals and aspirations that reject or undermine the status quo or reject and/or undermine contemporary ideas and expressions of freedom of choice'. Extremism is best defined as the holding of extreme political or religious views.

We will refer any concerns we may have regarding individuals or groups of individuals who have or demonstrate extremist views to the relevant outside agencies as we feel that we have a duty to intervene at the earliest opportunity and to protect those concerned.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We, as a school community, have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
