PARENTMAIL

We have had lots of Parents coming into school to say that they didn't receive the texts re the cancellation of our KS1 & 2 Sports Mornings.

We still have quite a few parents who haven't registered to use the service and therefore are missing out on the various texts we send home. To keep you updated I am asking that you Register as soon as possible—we have sent out a text message to the families who need to register for the system today.

WATER SAFETY

When the weather turns warm, everyone wants to be in or around the water. Hanging out at the pool or the beach on a hot day is a great way to beat the heat.

Between having fun and checking out the life-guards, most people don't think much about water safety — but they should. For people between the ages of 5 and 24, drowning is the second leading cause of accidental death.

It doesn't have to be that way, though. Most water-related accidents can be avoided by knowing how to stay safe and following a few simple guidelines. Learning how to swim is essential if you plan on being on or near water. Many organizations provide swim instruction to people of all ages, check to see what classes are available in your area.

EDEN CAMP

The children in Year 3 & 4 enjoyed a rather wet and soggy but fun trip to Eden Camp yesterday as part of their topic on World War 2. Lauren from year 3 said “ It was AWESOME and I didn't want to leave. We saw planes that were actually used in the war and it was all real. We also learned that there were pony's that had to wear gas masks. It was the best day I ever had”. Amber said “ We went into places that were quite spooky and we also went into an Anderson Shelter.
